Dear Parents and Carers,

Parent Governor Vacancy

We currently have a vacancy for a Parent Governor. Being a Governor is an important role in the life of the college as Governors work with the Principal in setting the overall direction of travel of the college. They are involved in important decisions about student applications to the college, staff appointments, the budget of the college, and expenditure on the premises of the college. They discuss student achievement and support and take an interest in the ways the college is continuing to maintain high standards. They support the Principal and Senior Leadership Team as they lead the college.

We would like the members of the Governing Board to continue to represent the excellent diversity of our intake and want anyone who has time to offer and a passion for our distinctive and unique University Technical College to feel able to offer their services in this key role. We are happy to consider parents with a wide variety of skills and would very much be able to tailor the role to suit those skills.

Full details of the process and how to apply can be found in the attachments.

Are you interested?

If you are interested in becoming a Parent Governor but feel a little daunted by the responsibility you may be taking on, remember that full training will be available, and you will always act as part of a team. No particular experience or qualifications are required. Your role would be as a typical parent bringing a parent's perspective to the running of the Governing Board and the college.

Your Commitment

If you become a Governor, you will be taking on the following commitments to help make sure the college is well managed:

- Share the responsibilities of the Governing Board as summarised above.
- Attend and participate in meetings on a regular basis – Governors attend five Full Governing Board meetings and are normally a member of one committee, which meet about 4 times a year. Meetings normally last no longer than two hours
- Undergo appropriate training
- You may also be invited to sit on interviews or other panels

You will be required to sign the Governing Board's code of practice, and to apply for a DBS enhanced disclosure.

What do you need to do next?

Read the section at the end of this letter, which explains the process for appointing Parent Governors. A nomination form is enclosed.

The nomination period will open on Monday 28th September 2020 and close at 12 noon on Friday 23rd October 2020.

If you would like to know more about the role of a Parent Governor or the appointment process you are welcome to contact the Clerk to the Governors Dominika Jureczko on Dominika.Jureczko@northyorks.gov.uk or serving Governor at college.

Yours sincerely

Mr. Lee Kilgour
Principal
