Dear Student,

The University of Hull would like to congratulate you on being offered a place at Scarborough University Technical College.

As the education partner for the UTC, the University has committed to supporting your learning experience. Representatives from the University will be working closely with the UTC to offer support for project work, and deliver master classes and workshops.

The University will create opportunities for you to visit our state of the art facilities on our campus in Hull.

We believe that completing your education with Scarborough UTC will stand you in good stead for future opportunities with employers and prepare you for progression into higher education.

Each student from the UTC is guaranteed a conditional offer of a place with the University of Hull, and if higher education is a route which interests you, you will be supported with advice and guidance on accessing university through workshops on careers and progression, student finance and accommodation.

We look forward to working with you to help you realise your potential.

Yours sincerely

Professor Glenn Burgess
Deputy Vice-Chancellor
