

# Mock Open Day Sign Up 2019

Thank you for your interest in the Mock Open Day. In order to proceed we will need you to read and agree to the following privacy statement:

## What are 'FutureHY', the 'National Collaborative Outreach Programme' (NCOP) and 'Higher York'?

Known locally as FutureHY, we are a partnership between Askham Bryan College, Craven College, CU Scarborough, Harrogate College, Scarborough TEC, Selby College, the University of York, York College, York St John University, City of York Council and North Yorkshire County Council. The function of the partnership is the delivery of the National Collaborative Outreach Programme (NCOP), a national programme funded by the Office for Students (OfS), aiming to promote the benefits of university and other forms of higher education among under-represented groups. We are also part of a wider partnership known as Higher York, a collaboration between the Higher Education providers in York.

FutureHY's work will focus on providing events and activities in areas where progression of young people to higher education (HE) is low, despite relatively high GCSE results when compared to other areas of low participation. Activities can include mentoring, residential trips and university visits. What will happen to the information I provide? Will it be shared with other people?

## Will I be identifiable?

Data provided may be shared with the Office for Students (OfS), CFE Research, Higher Education Statistics Agency (HESA), the University and Colleges Admissions Service (UCAS) and Higher York partners including colleges, Higher Education Access Tracker (HEAT) service subscribers and the National Data Service, to help improve future projects more effective. When we report the findings, we will total (summarise) all answers to questions so it will not be possible for anyone to identify you.

Your personal data will not be shared with any unauthorised third parties, but may be shared with relevant partners as outlined above. Your personal data will always be protected under the terms of data protection legislation - this is a legal requirement.

If you would like to find out more about the programme, the uses of your personal data, or at any time have your information removed from our system, please contact us at [NCOP@higheryork.org](mailto:NCOP@higheryork.org).

Do you consent for us to use your personal information as outlined in the privacy statement above:
